E-mail: office@verticalscope.at

Curriculum Vitae

Günther Göberl, born on October 10 1975, is a freelance DOP / Cinematographer specialized in Mountain-, Sports- and Adventurefilms.

He is the perfect combination of a professional Cinematographer and ambitious mountaineer and climber.

He started his work in the Filmbusiness in 1999. For the first three years he was working as an Assistant Camera for more than twenty Cinematographers in Austria and Germany. That way he could earn a lot of experience.

Since 2002 he is working as a freelance Cinematographer / DOP and the list of his Awards stands for the Quality and Creativity of his work.

With around 70 !!! Awards worldwide he is one of the most renowned Mountain and Adventure Cinematographers in the Business.

Günther Göberl is a member of the Austrian Filmacademy and in 2011 was nominated for the Austrian Filmaward in the category „Best Cinematography“.

Passion

My personal ambition is to bring the fascination of Mountain and Adventure to the livingroom of people who don't know these activities. I like to shoot true stories on true locations. Therefor I think we can sense the peoples respect and awareness for nature and wildlife.
